2021 International Conference on Big Data Engineering and Education

BDEE

CALL FOR PAPERS

July 23-25, 2021 | Guizhou, China

2021 International Conference on Big Data Engineering and Education (BDEE) will be held during July 23-25, 2021 at Guiyang, Guizhou Province, China. BDEE will be Co-hosted by Wuhan University and Guizhou University, and be organized by College of Big Data and Information Engineering of Guizhou University.

Guiyang, capital of Southwest China's Guizhou province, reaped good results in high-quality development with its focus on the big data industry. Its development of big data is rising and prospering. It has become a core area of the national big data pilot zone, a big data industry cluster, a big data technological innovation pilot zone, and a big data and cyber security pilot and demo city.

We invite submissions of papers, abstracts, posters and demos on all topics related to big data and educations.

Topic

• AI, cognitive science, big data and analytics in professional fields, such as cyber security, accounting, law, medicine, education, etc.
• Big Data Analytics curriculum design, development and delivery
• Big Data as a business strategy and source of innovation
• Advanced courses on decision analytics, modelling, algorithms, machine learning and visual analytics
• Ethics, Trust and Governance in AI, Data and Analytics
• AI and Big Data Analytics on industrial engineering programs
• Approaches to teaching and assessing big data, Artificial Intelligence
• Regulatory and data compliance issues with Big Data
• Software for teaching AI, BDA and cognitive science

Committee

Conference Chairs
Jin Wang, Valdosta State University, USA
Yulin Wang, Wuhan University, China

Program Chairs
Zhuhong Zhang, Guizhou University, China
Daiqiang Wang, Guizhou Minzu University, China

Program Co-Chair
Lu Zhongmei, GuiZhou Vocational Technology College of Electronics & Information, China

Steering Committee
Orlando Belo, University of Minho, Portugal
Axel Sikora, Offenburg University of Applied Sciences, Germany

Publicity Chair
Xiaorong Zhao, Yunnan University of Chinese Medicine, China
Yubi Xiong, GuiZhou Vocational Technology College of Electronics & Information, China
Hulong Mao, Anhui Finance & Trade Vocational College, China
Huang Yu-Che, Chaoyang University of Technology, China

Proceedings

All the accepted paper will be strictly peer-review after submission. The accepted paper will be included in conference proceedings. Indexed by EI Compendex and Scopus,etc.

Important Dates

Submission Deadline: February 10, 2021
Notification Deadline: March 1, 2021
Registration Deadline: March 15, 2021
Listener registration: July 18, 2021

Submission Methods

Click the I-conf button to submit your full paper or abstract. An account is needed, if you don't have, please register first.
